

## **Disabled Athletes Structure**

- ***Disability Officer in place.***
- ***Teachers and Coaches have attended courses on how to coach disabled people in sport.***
- ***Disabled athletes are referred to Disability Officer in the first instance for individual assessment and future integration into the Club.***
- ***Assessment of the disabled athlete will take into account the level of disability with reference to the ASA Classification Handbook.***
- ***Due account will be taken of the facilities for disabled swimmers available at the swimming pool. At present the pool can only cater for ambulant disabled swimmers.***
- ***Where swimmers are able to participate in the Club they will be integrated with the other swimmers at their ability level.***
- ***Performance of new disabled swimmers will be monitored closely over the first weeks to ensure working within their ability and with the other swimmers.***
