

QUERIES ON INSURANCE

As Newmarket & District Swimming Club's Treasurer, I would be the one to contact if there are any queries regarding the Club's Insurance and would be able to refer to our ASA Insurance details, as you yourselves are, with the adjacent ASA policy which is constantly on view to everyone on this Notice-board.

If any further details are required, I would then contact Perkins Slade for their advice at the earliest convenience and await their response, whereon I would then convey back to anyone who is enquiring, with their findings to hopefully explain/resolve the matter.
